The Global Excellence Awards were launched by Acquisition International to showcase the companies and individuals that are committed to innovation, business growth, and providing the very best products and services to clients across a wide range of industries.

This award was judged purely on merit by our in-house team, with all potential winners assessed against multiple relevant criteria, including company performance over a given period of time, expertise within the industry, sector, or region, previous accolades won, and client testimonials or recommendations.

## **About Acquisition International:**

Acquisition International is a monthly magazine brought to you by AI Global Media Ltd, a publishing house that has reinvigorated corporate news and

reporting. The aim is to inform and shape the global corporate conversation through a combination of high-quality editorial, rigorous research, and an experienced and dedicated network of advisors, experts, and contributors.

Acquisition International Magazine launched in 2010 and has, over the years, evolved into a business title that professionals rely on to bring them the business knowledge, insight, and news they need. Each month the magazine is circulated to in-excess of 108,000 professionals, including top-tier managers, key decision-makers, business advisers, and service providers.
